

Regional Teacher Training Workshops On E-Learning: Challenges And Opportunities

Six Regional Teacher Training Workshop organised by British Council and AICTE, April – May , 2017

E-QUAL in partnership with AICTE organised 6 regional workshops across the country for the PIs who have uploaded their courses on SWAYAM and the new PIs who are in the process of developing the online courses. Aim of the workshops was to :

- educate PIs on developing quality and engaging content which will lead to better student learning, course completion and importantly their retention on the online portal.
- gather inputs about the challenges faced by teachers in adapting online learning resources in their classrooms.
- ways of integrating traditional and technology enabled learning
- Disseminate information about the various online courses available through portals like www.equalcourses.net and www.swayam.gov.in
